SPALDING'S PREPARED GLUE.

SPALDING'S PREPARED GLUE.

SAVE THE PIECES.

ECONOMY: "A STITCH IN TIME SAVES NINE."—*DISPATCH*.

As accidents will happen, even well-regulated families, it is very desirable to have some cheap and convenient way for repairing Furniture, Toys, Crockery, &c.

SPALDING'S PREPARED GLUE.

It is a strong adhesive, and no household can afford to be without it. It is superior to Glue for sticking paper. There is no longer a necessity for lumps of Glue to stick valances, headpieces, collars, and broken crockery. It is used in the manufacture of various ornamental works, so popular with ladies of refinement and taste.

The adhesive preparation is made cold, being thoroughly held in solution, and possessing all the valuable qualities of the best-cultivated Glues. It may be used in the repair of ordinary linings, being vastly more adhesive.

"USEFUL IN EVERY HOUSE."

X. B.—A Brush accompanies each bottle. Price, 25 cents.
